

MRS. SAMUEL E. COOPER
COUNCILMAN
NEWARK, NEW JERSEY

August 25th

Dear Stanley,

Please count on my being with you
& the Executive Committee on Monday, September
14th, at 590 Bergen St at 9:30 P.M.

In regard to the meeting on May 5th
which you planned for the Executive
Committee & asked for me to be present -
please be advised at this late date --
(and it surprises me that no one brought
it to your attention ^{before then}) -- My dearly beloved
late father took ill on May 4th with
intestinal grippe -- on the morning of May 5th
& Friday had expired within minutes
from heart failure.

My dad was father mother's husband
these last two and a half years..

With it all, I guess I should
be grateful to have had her with
me 77th year. . . No one is really ready
to accept the loss of near, dear one
no matter at what age.

I do hope you & Helen have
had a pleasant summer. With every
good wish for pleasant & comfortable
Labor Day week-end and looking
forward to meeting with you on
the 14th - 8 September, I am

Most sincerely
Robert L. Corbin
South Ward Councilwoman
